COMMENTS FROM THE PRESIDENT

Dear Fellow Manchu's,

It seems as if it was only yesterday that we were active members serving in the finest infantry regiment in the U.S. Army. It was forty four years ago that I

served on the DMZ in Korea. I was just a 19 year old kid that was raised in a small rural community. I guess I was still wet behind the ears as my Dad always said. Most of us were just kids out of high school but we returned home as men. It was a hard way to reach manhood but we were serving our country proudly and the best way we could.

So many things have happened in the past year for the Manchu Association. We have donated money to the scholarship fund at our last reunion. We also had flowers placed on memorials in D.C. this past Memorial Day. Money was sent to Ft. Lewis for the support group.

Larry Ritter and I have been looking into ways to get new members and to get more Manchu's to attend the reunion. If you have any ideas feel free to contact us. I have talked with other veteran groups and they say the same thing about attendance. We need to get our younger Vets involved in our organization.

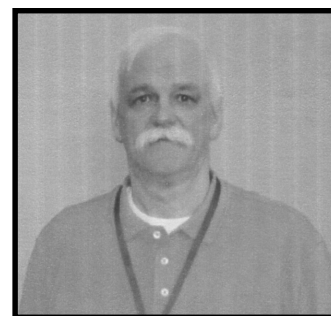

With summer coming we are planning on traveling across our great country. We helped

COMMENTS AND UPDATES FROM THE SECRETARY

Well I have finally settled in to a new place in the sun. I made the move to sunny Florida to reside with the old folks. My address is on the web site

(manchuassociation.org) and will be changed on this newsletter, so a lot has happened since the last newsletter. We are now processing everything online for members on the web, renewal of dues cards and life certificates are done through email as of now, I will still do them the old way if you don't have a printer or just want it mailed. This will save on postage and handling costs. So if you haven't paid your dues I'm all set to go, and while we are on this topic why not consider a life membership in four easy payments of \$25.00 and then you are done with it for good. Think about it.

The bigger topic to consider is the annual reunion at Fort Benning, Georgia (see inserts). If you haven't been or are thinking of it look into it, seriously we are looking for some new faces and some new stories. It only happens once a year so look into it. If you need any more input on this you can call Bob Haynes at 224-225-1202 who will answer any questions you might have. It looks to be a great reunion from the people that I have already talked to that are planning on joining us.

MANCHU DEVOTIONAL

Dear God, we thank you for guiding us into the New Year, and as we give our thoughts and prayers towards our military. Those in the past and present, who have fought for our freedom, our right to worship as we please, and have granted us the right to live as free men. Across this wide world, we have had many brave comrades, who have not made it back, to our Country, they loved, fought for, and gave the ultimate sacrifice for us. With your Blessing Lord, we will never forget, their vigilance, thier honor, and their devotion. The Hand of God, be ever protecting, our brave men and women, who stand guard over us. Keep up the Fire, Keep up the Faith.....Amen
Chaplin; James "OBie" O'Brien

Comments From The President *(Continued)*

defend our freedom so we want to see what all is out there. Last December we spent Christmas in Gulfport/ Biloxi, Mississippi. We toured Jefferson Davis's home that had just reopened after being damaged from Katrina. They have built a new library and museum on the grounds that were to open this past April. Well worth another visit. They have built a new V.A. hospital. There is a Veterans retirement home near the beach. Talked with some of the vets that lived there and they say it is a great place to live. There is a long waiting list. I am always checking out our veterans and anything involved with vets. My wife reminded me that we visited a famous vet's home. We spent time in Memphis to visit Graceland, Elvis Presley's home. He is still the King of Rock and Roll.

I have lost 2 dear veteran friends recently. Both died from Agent Orange exposure. Rick McGinnis, Second Infantry Div, a fellow Manchu served in Korea 1969-1970 HQ. Company. My good friend Marv was a Nam vet served with the 4th I.D. His last request was that I spoke at his memorial service which I did. Rest in Peace.

Today I was at Menards Lumber Co to purchase some roofing. I asked if I would get a military/ veterans discount. The young man told me that they did not offer discounts. His supervisor told me they wanted the same prices for everyone. I told him that if it was not for our military and veterans they would not be able to share the same prices with everybody. Lowes and Home Depot do offer discounts. I purchased the roofing only because it was only place that carried what I needed. I ask for discounts at different eating establishment. Some do give them some don't. Give it a try.

As your President I try to represent the MANCHU Association with pride. It is an Honor when I am asked to speak at different functions. I may have said this before but when I am introduced as the President of the 9th Infantry Regiment Association it sends chills up and down my spine. I am PROUD of our association. I hope that you have the same feelings. No matter where or when you served

you are a MANCHU. I was wearing my Manchu T-shirt on Memorial Day and I had a few people ask about our unit. Of course I told them about us. You will very seldom see me out in the public without any military item on whether it is my Army cap, t-shirt or flag pin. I am proud to be a Veteran.

Once a MANCHU always a MANCHU!

KEEP UP THE FIRE!

Memorial Day has come and gone by, I hope you enjoyed your day. I have put a few pics in this issue of the Second Division memorial in Washington, D.C. that was held on that day. Thanks and kudos to the Second for a great outing. I hope you can be thinking of the 100th celebration that will occur in the next couple of years with the Second Division. Again if you need anything, don't hesitate to call or email my new address.

Keep up the fire

**SEEKING INFORMATION
 CONCERNING VERIFICATION OF
 PURPLE HEART MEDAL**

My Grandfather, CPL Joseph R. Burniston, served in Korea from November 1952 to June of 1953, with Company H, 9th Infantry Regiment, 2nd Infantry Division. He passed away in 1990 and since then I have been researching his military records and found his medal sets in an old suitcase. Inside there was a Purple Heart. There is no official documentation and he is not listed as WIA on the Korean War Casualty Roster. If anyone has an Order listing his name as WIA or any first hand accounts of him, I would appreciate any information. Please feel free to contact me at james.g.forbes.mil@mail.mil or call me at 317-471-0830.

Thank You

DO YOU KNOW?

The rate of vets that are homeless is considerably higher percentage wise for this group than the general population. This is hard to comprehend when we as a country owe the vet better than this. Many issues come into play when talking about why the large number of homeless in the vet community and the VA has set up a national call center to provide support. VA counselors answer the 1-877-4aid vet (1-877-424-3838) hotline 24/7. VA wants to make sure all vets have access to the resources and support the vet has earned. For additional info, go to www.va.gov/homeless.

Take this info with you the next time your VFW or Legion has a vet job fair, health fair or "stand down". You just might be able to get a vet some needed housing.

Don't forget the reunion in september being held at Fort Benning. Many of us once were stationed there so let's have a large turn out of Manchus this year. I'll be there and hope to meet you.
